

Drop Trio is an instrumental band from Texas.

Three years, two South by Southwest showcases, two studio releases, one soundtrack, six Houston Press Awards, and hundreds of live shows across the southern U.S.

Comparisons from funk jazz fusion to instrumental avant-garde rock. No guitar, no singing. Heavy improvisation, tight compositions, genuine musicianship.

Photos by John Fulbright

Press ...

"Drop Trio is poised to make its mark in the future of jazz."
– Haig Assadourian, Jambase.com

"Tighter than the Texas education budget, with a Rhodes that is pushed to its limit on every cut."
– Matt Sonzala, Houston Press

"Drop Trio is solidly entrenched somewhere in my top 10."
– Mark Sabbatini, All About Jazz

New CD, **Cezanne**, released Fall 2005
